Explore its innovation mindset, and get a taste of American work culture.

APPLY NOW AND TAKE THE NEXT STEP TOWARD GLOBAL GROWTH!

WELCOME TO THE MASTERCLASS

During the week in Silicon Valley, you can expect interactive workshops designed to accelerate the growth of your company, site visits to innovative industry leaders, as well as keynotes from thought leaders and experts in the fields of scaling and acceleration.

The agenda is curated based on the latest trends - you can find the most up-to-date program by scanning the QR code.

learn more!

Notable keynotes are delivered by influential figures from the Valley.

These sessions offer valuable perspectives on the tech and growth mind-set that drive success in the Valley.

Beyond the formal program, you'll benefit from multiple curated networking opportunities hosted at iconic venues across the region. These locations - known for their cultural appeal and scenic atmosphere - not only offer memorable experiences but also foster a dynamic environment where professional connections thrive. It's a reflection of how business is done in Silicon Valley: fast-paced, approachable, and deeply rooted in relationship-building.

HOMECOMING EVENT LOCATION: BITZ OBERSCHNEIDING / KEMNATH - NOV. 2025

Four weeks after returning from Silicon Valley, participants will reconnect for a special "Homecoming" pitching and networking event.

This follow-up session is designed to help participants reflect on their journey, share insights with peers, and present their strategies for implementing what they've learned.

“SCALING MEETS STRUCTURE YOUR GATEWAY TO SILICON VALLEY“

A launchpad for ambitious companies ready to scale globally.
Gain the tools, insights, and connections to grow with
confidence in the world's leading innovation ecosystem.
