Please be aware of the following points:

Please check the exam schedule regularly. The examination date may change on very short notice.
 After registration, students can only withdraw from an examination if they de-register from the examination **at least 7 days** before the date of examination.
 The withdrawal from the examination must be made either on the online portal or in a written form at the center for studies.
 Bring your student-ID with you to each examination! No other identification document is permitted!
 Mobile phones and any other electronic devices may not be on the desks. They must be turned off completely.
 After a first failed attempt, students have to re-sit the examination within a 6-month-period starting on the day they receive the examination results.
 After a second failed attempt, students have to re-sit the examination within a 12-month-period starting on the day they receive the results of the repeated examination.
 Registration for every re-examination is necessary. There will be no automatic registration!
