

English version below

Link zu Statista via DBIS

The screenshot shows the Statista homepage. At the top left is the Statista logo (three circles). Below it is a blue button with a white arrow pointing right and the text '→ Zur Datenbank'. To the right of the button is a paragraph of text about Statista's data sources and a list of features. Further down is a section titled 'In Dossiers werden alle relevanten Statistiken zu einem bestimmten Thema gebündelt.' with a 'Mehr zeigen ▾' button. Below this is a 'Top-Datenbank in:' section with two categories: 'Allgemeine und fachübergreifende Datenbanken' and 'Wirtschaftswissenschaften'. Under 'Lokale Lizenz (Lokale Lizenz)' it says 'Formaltyp Online' and 'Shibboleth (institutional login)'. A red arrow points to the 'Zugangslink' section which contains a URL. Another red arrow points to the 'Beschreibung' section which contains a note about the transition to Shibboleth authentication.

Statista ist ein Statistik-Portal, das statistische Daten verschiedener Institute und Quellen bündelt.
Der Volltextzugriff ist abhängig vom Lizenzumfang Ihrer Einrichtung.
Die Datenbank bietet:

- Über 1 Mio. Statistiken zu über 80.000 Themen aus mehr als 20.000 verschiedenen Quellen
- Brancheninformationen von Agrarwirtschaft bis zu Verwaltung und Soziales
- Unternehmensinformationen mit Kennzahlen von über 1000 Unternehmen
- Infografiken zu aktuellen Themen

In Dossiers werden alle relevanten Statistiken zu einem bestimmten Thema gebündelt.

Link to Statista via DBIS

The screenshot shows the Statista homepage. At the top, there's a logo with three circles and the word "Statista". Below it is a blue button with a white arrow pointing right and the text "Go to database". An orange arrow points from the left towards this button. To the right of the button is a detailed description of what Statista offers, including over 1 million statistics from 80,000 topics across various sectors like agriculture, administration, and social affairs. It also mentions company information for over 1000 companies and information graphics on current topics. A "Dossiers" section is mentioned, which bundles relevant statistics on specific topics. There's a "Show more" link with a dropdown arrow.

Statista is a statistics portal that bundles statistical data from various institutes and sources. The database offers:

- Over 1 million statistics on over 80,000 topics from more than 18,000 different sources
- Sector information from agriculture to administration and social affairs
- Company information with key figures of over 1000 companies
- Information graphics on current topics

Dossiers bundle all relevant statistics on a specific topic.

Access information

The screenshot shows a modal dialog box for institutional login. It features the logo of Technische Hochschule Deggendorf (TH Deggendorf) at the top. Below the logo, the text "Fortfahren als ..." is displayed. Two buttons are present: "Studierende" and "Personal". An orange arrow points from the left towards the "Access link" on the previous page, indicating the path from the DBIS link to the login step.

After successful login:
